Invite you to our 19. International rally

The rally will be arranged at Volltveit Camping, in Telemark.

Weekend of 25. – 27. June 2010

We invite all friends to our rally, and if you got friends, who want to join you on the trip, bring them with or without a Z1. Your friend is ours.

The rally will be arranged in a very beautiful part of Norway, not so very far from Oslo or Larvik, with ferries from Germany and Denmark.

The area offer great roads for tours on Zeds, and the challenge are to choose where to drive. We can visit places like: Rjukan, Kongsberg, Bø in Telemark, Seljord and many other nice locations with great roads for driving our Zeds.

We offer breakfast and hot meals, beer and soft drinks, barbeque and others,

The location of the rally gives great opportunities for bath and swimming.

For our long travelling friends we can offer cabins. Please make an early order if you want to reserve a cabin. The cabins have 4-6 beds for you and your mates.

Please contact: Arne Vestmoen for questions.
